

# JONDACHI - HOLLÍN RIVERS FULL DAY

## CLASS IV - Archidona, NAPO.

- Start this adventure with 40 minutes of walking in the primary forest. Then, have fun in the refreshing waters of the "Gran Cañón" exploring waterfalls and natural caves.
- 2 hours of rafting touring the Jondachi River, characterized by little water volume and a lot of slope.
- 3 hours of rafting in the swift river Hollín rapids.
- We will stop halfway to eat a delicious lunch on the banks of the Hollín River.
- Admire more than 15 showy waterfalls from your raft.
